

REMARKS

Claim 1 is pending with objections raised by the Examiner.

Applicant submits a new replacement Abstract addressing all objections raised by the Examiner.

Applicant submits a revised Specification and Claim to address the antecedent basis and other objections raised by the Examiner. (Items 6, 7, 8, 9, 10 as identified by the Examiner.) Only the last paragraph in the Specification (Page 4) is revised.

Applicant submits Replacement Sheet revising Figures 1 and 2 addressing issues raised by the Examiner.

No new matter is added by this amendment.

Applicant has addressed all the objections raised by the Examiner and accordingly requests approval of this application. If a phone call can resolve any issues, please call me.
